Muntasir Tamzid

UX UI Designer

About Me

I am an aspiring UI/UX Designer with a strong foundation in user-centered design, visual design, and usability principles. I enjoy creating clean, engaging, and intuitive digital experiences that balance user needs with business goals. With a strong problem-solving mindset, attention to detail, and a passion for learning, I am eager to contribute to a professional team, gain hands-on industry experience, and grow as a UI/UX Designer.

TRAINING & Work Experience

- 2026 — Present
 - **AI-Driven Freelancer Training | AIDF - C3B1**
SICIP-BACCO Program | SkyTech Global LTD
 - Developing practical skills in UI/UX design and creating user-centered digital experiences.
 - Learning and applying digital marketing strategies for online products and services.
 - Using AI-powered tools to improve design workflows, research, ideation, and freelancing productivity.
 - Working on practical design projects including interfaces, landing pages, visual design, and digital experiences.
 - Developing professional freelancing skills including project communication, presentation, and client-oriented design delivery.

Certificate

- 2026
 - **Full Stack SQA Training**
Road to SDET
 - Trained in Manual, API, Performance, and Automation Testing.
 - Created test cases, bug reports, and test documentation.
 - Practiced Selenium, Playwright, Appium, Postman, JMeter, and Git.

Certificate

Soft Skills

- Creative Thinking
- Problem Solving
- Communication
- Teamwork
- Time Management
- Attention to Detail
- Adaptability

Languages

English - Conversational

Bangla - Native
